treatment (Varian Trilogy(tm) Linear Accelerator and Xofigo Axxent(tm) Electronic Brachytherapy System).

Tests and treatments available at Nazha Cancer Center include: PET & CT Scans, PET/CT Simulation, Image-Guided Radiotherapy (IGRT), Intensity-Modulated Radiotherapy (IMRT), Stereotactic Radiosurgery (SRS), Respiratory Gating (RPG), Xofigo Axxent Electronic Brachytherapy, and Chemotherapy & Infusion

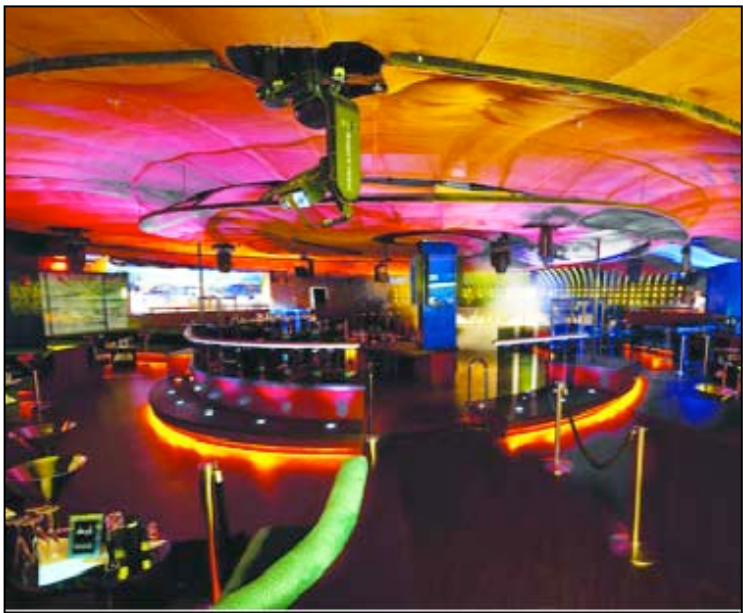

Nazha Cancer Center is unique not only in its complete approach to cancer care, but also in the relationships built through the process between patients and caregivers as well as among doctors.

The staff prides themselves on the compassion they provide to both their

patients and the patients' families every step of the way. Only personnel that consider and respect the human aspects of patients' lives work at Nazha Cancer Center. This ideal creates an environment in which patient comfort and care is the top priority.

Collaborative relationships with physicians in the surrounding South Jersey and Philadelphia areas facilitate referrals for patients to receive needed treatment close to home. This allows patients further convenience to make return visits for monitoring and follow-up care once a treatment program is completed.

Gardens makes it a natural choice for older adults in the area in need of rehabilitation services. The expertise of the Select Medical Team, in conjunction with the compassionate care provided by the employees of Seashore Gardens Living Center, provides an atmosphere conducive to healing, recuperation and overall well-being.

Another important area of Seashore Gardens Living Center, which may be overlooked, is the Louis Edelstein Assisted Living Residence. Assisted Living accommodations, including studio and one bedroom apartments, 3 delicious meals per day, daily recreational activities and trips, along with medication management, provides older adults with freedom from the burden of home ownership. During the winter months, when tasks occur such as shoveling snow or traveling to the grocery store before a storm hits, the many benefits of Seashore Gardens' Assisted Living services become clear.

The Living Center includes various

other amenities for all residents and their families, including an indoor Atlantic City themed boardwalk area, café, wheelchair accessible putting green, computer stations, beauty salon, senior fitness center complete with a Wii fit therapy system, and a gift shop.

The Simon & Sylvia Zisman Seashore Gardens Living Center is a nonprofit Home for the Aged, guided by Jewish tradition, law and charity and open to people of all races, religions and creeds. The Living Center strives to set the standard in senior living and is dedicated to enriching the quality of life for its residents.
